

Facebook Community Guidelines

Clear communication is at the root of any good relationship. That's why we're excited to share what we're doing in local communities with you. However, because banking is such a highly regulated industry, we must follow certain rules.

Our Facebook page is public, which means that anyone can see your posts on Facebook and your posts may even show up in search-engine results (like on Google or Yahoo!). While we want to foster healthy discussion, we may occasionally remove posts that don't fit our community guidelines. Because our Facebook page is a public page and anyone can participate, we cannot be responsible for views expressed other than our own.

We encourage everyone to:

- Stay on topic, use common courtesy and be respectful of others
- Submit your own original content, and avoid content that you know to be fraudulent
- Do not post someone else's copyrighted work unless you have permission
- Never post personal, identifying or confidential information

Please note that this page is moderated by South Georgia Bank employees. We'll make every effort to respond in a timely manner; however, we can't guarantee that we'll reply to every comment.

If we require additional information, you will be contacted offline and it will only be in response to a question you have submitted to us.

Those are the basics. Our full policies are listed below.

Comment and Posting Policy

We expect conversations to follow the rules of polite discourse and we ask that participants treat each other, as well as our employees, with respect. We may delete comments or posts that we deem to be:

- Profane, obscene, inappropriate, disruptive or unrelated.
- Indecent, sexually explicit or pornographic material of any kind — including masked profanity where symbols, initials, intentional misspellings or other characters are used to suggest profane language.
- Threats; personal attacks; abusive, defamatory, derogatory, or inflammatory language; or stalking or harassment of any individual, entity or organization.
- Discriminatory or that contains hateful speech of any kind regarding age, gender, race, religion, nationality, sexual orientation or disability.
- False, inaccurate, libelous or otherwise misleading in any way.
- Spam, or containing or linking to any kind of virus, malware, spyware, or similar program that could cause harm to a user's computer.

For the benefit of healthy discussion, we ask that comments remain on topic. This means that comments should relate to the topic that is being discussed within that wall post. While we welcome reasonable critiques, we may delete negative comments about South Georgia Bank and/or our competitors that aren't relevant and don't add to the overall experience.

We may delete comments that we deem to be off topic, including solicitations. In addition, we may remove identical posts by the same user or multiple users (a group of people sending identical messages or one person submitting under different aliases). In the case of identical posts, we will leave the first submission and delete the duplicates.
